### **Report on Mentoring Program**

Mentoring program of BSS B Ed Training College functions with the goal of providing students with assistance and direction for the improvement of their academic and professional careers and thereby shaping them as the epitome of humanity. It is a very effective program that is aimed to narrow down the gap between the mentee and the mentor and thereby encourage discourses with each other. The students may come across many difficulties during the course of study and they may have many academic and adjustment challenges. To cope with such problems and to enable them to excel in academics according to their potential, the institution utilizes the mentoring initiative.

Mentors offer personal attention and counseling to their respective mentees. The assistance services include personal counseling, guidance, support for academic examinations, creation of awareness about scholarships and grants, behavioral modification assistance, and help for extracting the innate potential of the mentees. The program aims to instill good qualities among students according to the intuitional goals also it tries to bridge the gap between the teacher and the student.

#### **Aims and Objectives**

- To narrow down the gap between the mentor and the mentee.
- To uplift the performance of the students in academics and examination
- To nurture healthy personal and social lifestyles
- To ensure a congenial learning environment.
- To inspire and motivate in high-level academic pursuit
- To resolve personal issues and challenges
- To bring out an overall change in the personality of the student
