B.S.S B.Ed. Training College - Feedback Form for Curriculum (2020-2022 Batch Students)

Students' Overall Suggestions on Curriculum

- Offline classes are the best and more exposure need for student teachers.....
- More technology should include in BEd curriculum.
- Adopt new innovative activities
- Include current affairs
- Adopt new technology
- Adapt technological improvement in classroom
- Providing Digital classrooms will be effective for communication
- The depth of the syllabus of the courses in relation to the current global scenarios is inadequate. Less flexibility in choosing the electives in relation to technology advancements.
- Allocate time for Library and lab
- Allocate more time for lab and library
- Improvement in the Communication skill
- To acquire unique talents, interests, and skills.
- To identify innate unique skills and modify it.
- Include more class room experience
- More internship experiences needed
- Stress Management among students must be considered
- Need more time
- Create class room library
- Give more opportunities for school management and teaching.
- Excellent no suggestion
- Every thing is good
- In our curriculum there is a lot of record works. It can be reduced and add more ICT skills. That will be more helpful to get more knowledge about ICT.
- Curriculum should be appropriate for the development and should consider the need of learners.
- Good
- Avoid the repetition of content in various semesters
- Turn long term goals into shot term plans
- Allow more time to physical education
- Good
- Good
- Need more class room facilities
- Prioritize using new technology
- Understand student's problems
- Everything was excellent
- Improve pedagogy
- Improve current issues in class room teaching
