Report on “Awakening the Inner Splendor”.

‘It is not in the stars to hold our destiny, in ourselves’.

William Shakespeare

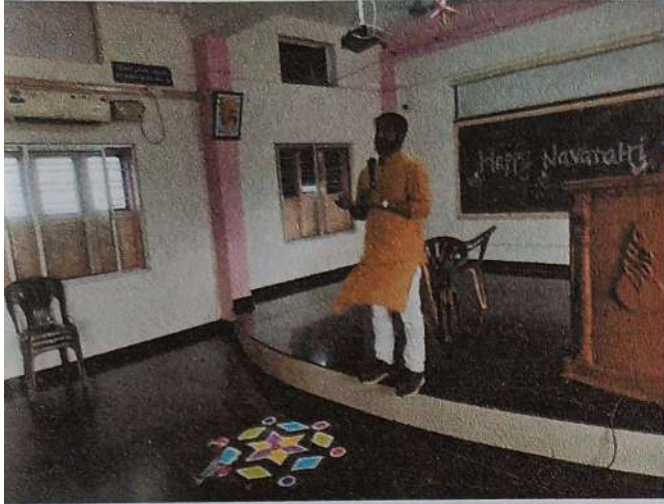

Life is the existence of an individual human being or animal. On 18th October 2023, BSS B.Ed Training college conducted a lively session "Awakening the Inner Splendor" organized by IQAC. The host Mr.Saju Swaminathan, life coach and motivational speaker, was welcomed by Dr. K S Balambika, the principal, BSS B.Ed Training College Alathur. The session began with the prayer.

The session began with a wonderful start. As a source of inspiration and motivation, the presenter himself provided pupils with uplifting tales from his own life. He talked on changing one's mindset towards goals by adopting other perspectives on life, such as appreciating minor victories, respecting oneself, and practicing thankfulness, among other things. He talked about the value of having objectives in life because they foster optimism and show that making positive adjustments can lead to a successful and happier life. He imparted to us the wisdom to put our hundred percent into all we do, no matter how big or small. He split us up into groups and got us involved in activities that actually forced us to consider and respond appropriately. Overall the session gave us an insight into the deepest of our thoughts and made us ready to be ourselves, with full enthusiasm and optimism.

REPORT ON VOTERS AWARENESS CAMPAIGN

Elections serve as the cornerstone of democracy, which provide people the power to select their representatives and hold them responsible for their deeds. People can actively participate in the decision-making process and influence the course of their society by casting ballots. Voting guarantees that a variety of viewpoints are represented in governance and gives voice to those who are marginalised.

On April 1, 2024, a Voters Awareness Campaign was held at BSS B.Ed Training College, Alathur organized by the IQAC department of the college. The Voting Awareness Campaign commenced with principal's speech highlighting the importance of exercising the right to vote in a democracy. The main highlight of the day was the collective rally led by the principal, teachers, and students around the college premises and Alathur town to raise awareness about voting, accompanied by the display of informative posters and placards. The campaign was led by Dr K S Balambika, Principal of BSS B Ed training College, Alathur. All the students and teachers took voters' pledge. The right to vote is a basic human right of every citizen. It gives people the ability to participate in national governance and is necessary for a free and just society to operate. Voting is a basic democratic right that allows people to directly influence government, shape policies, and hold elected officials accountable for their actions. This ensures a representative and equitable government that reflect the will of the people, so citizens should be aware of their right to vote.

Understanding the history of voting rights and the struggles for suffrage reminds citizens of the importance of protecting and exercising this hard-won privilege. Overall, voting is essential for upholding the principles of democracy, ensuring government accountability, promoting social justice, and empowering citizens to shape the future of their nation. The Voting Awareness Campaign at BSS B.Ed Training College, Alathur, proved to be a success with the support of the students, who actively participated in the rally.
