Institutional Policy (2017-18)

The purpose of the document is to present a policy framework for the faculties for doing research, participating and presenting papers in state, national and international seminars and conferences.

Objectives of the Policy

- To instill professionalism and growth.
- To design plans and goals for academic improvement.
- To learn and keep abreast with the latest developments in education sector.
- To innovate, continuously seek improvement in their work and strive for individual and institutional excellence.
- To promote and motivate faculties to collaborate other institution for knowledge enrichment.
- To encourage faculties to attend, publish and present papers in educational conferences.

Guidelines

- Faculties who wish to carry out research, participation and presentation of papers in state, national and international seminars and conferences should get prior permission from the principal.
- There will be an appropriate scrutiny and appraisal of the proposed activity by the principal before granting permission.
- There will be no financial assistance for regular research work which exceeds more than six months.
- There is a provision for travel grants and money for other expenses incurred by the faculty for the institution assigned and approved seminars and workshop programs.
- There is a provision for leave for the faculty in conducting research, participation and presentation of papers in conferences.
- There will be a special appreciation for faculties those who undertake special programs, seminars and conferences in and outside the campus.
- There will be an effective monitoring mechanism for each activity carried out by the faculties.
- Faculties must submit the reports of the attended programs to the concerned authority to avail the benefits offered by the institution.
- Sample evidences are required to issue travel grants and money for other expenses incurred by the faculty.
