## REPORT ON INNOVATIVE PROGRAMME

The innovative programme "ESPOIR" was undertaken on 19, December 2022 and the session was inaugurated by the Headmaster in charge sheela teacher and other senior teachers. The programme was inaugurated at Adult lab, in Government Girls Vocational Higher Secondary school Nemmara.

For the innovative programme we the B.Ed trainees, sought the permission of headmaster and teachers.

After the permission, we informed about the venture to the students in detail. We requested them to support this venture by bringing dress and study materials for the children at Snehasadan orphanage. A specified time was given and the materials brought by students were sorted.

After all the collection of materials we arranged for the programme ESPOIR on 19 December 2022 at Adult lab.

The programme was addressed and the inaugural address was given by Head master in charge

Sheela teacher. Later the student leaders handed over the collected materials to us. We accepted the collected materials and undertook the responsibility of handing it over to the students at the Snehasadan orphanage.

With the permission from the school we went to the orphanage Snehasadan, Pezhumpara, Nemmara. There we went and interacted with the co-ordinator of the orphanage and handed over the collected materials.

"I alone cannot change the world, but I can cast a stone across the water to create many ripples"

- Mother Teresa.

The love for humanity is a dominant feeling in a man or a woman. It turns him or her into a truly human being. Love towards mankind knows no boundaries of caste, creed, community or country. Here through the innovative programme titled "ESPOIR" we aim to impart among the students the humanity and kindness one should have for others.

It is a programme that aims to evolve in student a sense of feeling where they too understand the feelings and emotions of the ones who are in some way deprived. ESPOIR upholds the dictum that "radiating joy is real".
