Communicating with persons of different disabilities: Braille, sign language and speech training.

Institution has organized an interactive session with Mr Murali, BLOCK Resource Officer, Kuzhalmannam. The session aimed at giving an awareness to the teacher trainees on how to handle the differently abled ones and create an inclusive environment. The student teachers came to know about the different techniques and methods for handling such students in classrooms. This additional knowledge helped them to enhance their quality of teaching.

E – Content development

E Content development motivates creativity, helps in the act of collaborative teaching and enhances the quality of teaching. The ICT instructor introduced the theoretical aspects of E Content and took the teacher trainees to the ICT lab to give them the hands on training. As instructed by the ICT in charge the teacher trainees chose topics to practice E Content Development.

The ICT Instructor, Ms. Salabha. B guided the students with the help of PowerPoint presentation. It helped the students to get clear idea on the preparation of e content and video editing.
