WORLD AIDS DAY

Observed at KHSS Moothanthara

KHSS Moothanthara in association with B S S B. Ed training college alathur, marked World AIDS Day(Dec-1) with a series of impactful initiatives aimed at raising awareness among students about the importance of understanding and preventing AIDS. The event commenced with an energetic and captivating flash mob performance by 8th and 9th-grade students. The lively performance not only entertained but also effectively captured the attention of the audience, setting the tone for the day's activities.

Following this, students from the Scout, Guide, and JRC units came together to create a massive AIDS Day ribbon. This striking visual symbol of unity and solidarity emphasized the importance of collective efforts in combating AIDS and spreading awareness.

The highlight of the event was an insightful address by Headmistress Nisha Teacher, who eloquently discussed the significance of AIDS awareness, prevention strategies, and the need to foster empathy and understanding among students. Her speech inspired the audience and underscored the role of education in building a knowledgeable and supportive community.

The program concluded on a thought-provoking note, leaving a lasting impact on the students. The initiative reflected the school's unwavering commitment to promoting awareness and empathy, empowering students to play an active role in creating a compassionate society

AWARENESS PROGRAMME ON **WASTE MANAGEMENT**

On December 2, 2024 KSBS Moothanthara in association with BSS B.Ed training college, Alathur conducted an innovative program on waste management. The program aimed to raise awareness about recycling and sustainability. The session led by Praseetha V encouraged students to create useful products from waste materials. She engaged students in an interactive and informative discussion about the environmental impact of waste, explaining the significance of managing waste effectively and the role of creative solutions in reducing environmental pollution.

The students were encouraged to create useful products from waste materials, fostering creativity and resourcefulness. They worked diligently to transform discarded items into innovative and practical creations. The variety of products showcased the student's talent and imagination, including recycled art pieces, functional items, and even tools made from waste materials. The best three works were selected based on creativity, practicality and presentation. These outstanding creations were awarded during the next assembly, celebrating the student's achievements and reinforcing the message of sustainability.

This program not only encouraged students to think critically about waste management but also empowered them to take responsibility for their environment through practical actions. It was a successful initiative that highlighted the power of innovation and teamwork in addressing pressing environmental challenges.

Science Invite You..

Date: 03-12-2024

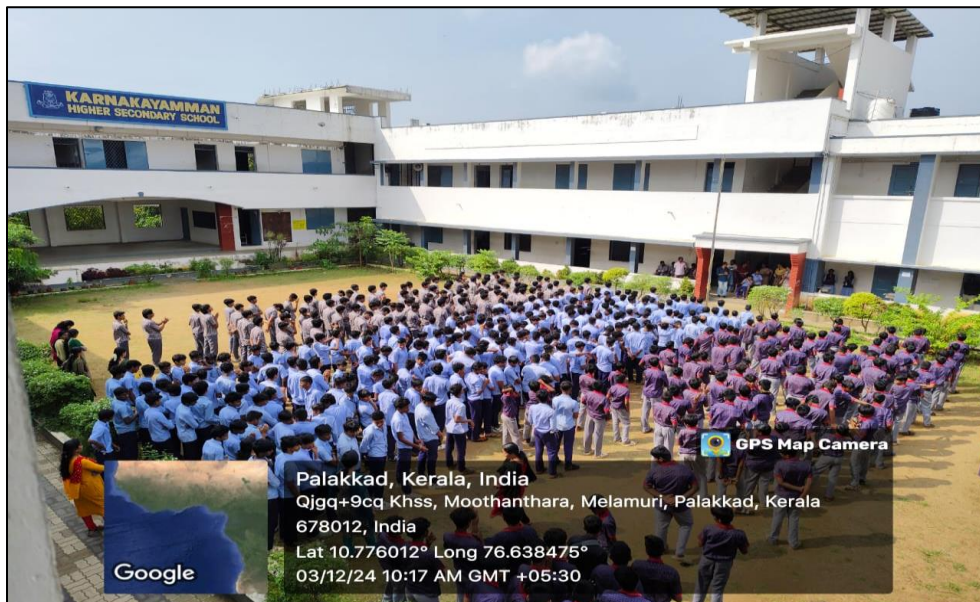

INTERNATIONAL DAY FOR PERSONS WITH DISABILITIES

The International Day for Persons with Disabilities was observed with great enthusiasm at KHSS Moothanthara, in association with BSS BEd training college ,Alathur on December 3rd, 2024. The program was thoughtfully organized with the aim of fostering awareness about inclusivity, empathy, and highlighting the importance of empowering individuals with disabilities. The event began with a warm and inspiring welcome address by the school principal, who underscored the critical need to create a supportive and inclusive environment for all students, encompassing both high school and higher secondary levels. The principal's words set the tone for a day of meaningful reflection and celebration.

A significant highlight of the event was the heartfelt recognition of students with disabilities for their exceptional courage, perseverance, and achievements. Special gifts were presented to these students as tokens of appreciation, acknowledging their unwavering determination and valuable contributions to the school community. The atmosphere was filled with admiration and pride as the school united to celebrate their inspiring journeys.

Adding vibrancy to the occasion, a series of cultural performances captivated the audience. Students enthusiastically showcased their talents through various artistic expressions, reflecting the spirit of unity and inclusivity. A particularly moving moment of the event was a melodious song sung by a person with disabilities, leaving the audience deeply touched and inspired. The program also featured a thought-provoking speech by Vidhya Teacher, the Resource Teacher of the school, who emphasized the urgent need to break societal barriers and create a world that embraces diversity and inclusivity. Her words left a lasting impression on everyone present.

The event culminated in a collective pledge taken by students, teachers, and attendees, reaffirming their commitment to work towards building a society that values inclusivity and ensures equal opportunities for all. The day was not merely a celebration but a profound experience that educated, inspired, and united the school community. It was a heartwarming and enlightening occasion that left a lasting impact, fostering a renewed dedication to the ideals of inclusivity and empowerment

Date: 10-12-2024

MATHA SOWHARDHA SAMMELENA

Matha sowhardha sammelena was conducted on Dec 10, 2024 at Alia Mahal alathur at 3pm in association with Alathur Sowhridhavedhi and BSS B.Ed training college. The program aims at encouraging social interactions and friendships across caste lines and creating opportunities for people of alathur from diverse backgrounds to come together.

The Event commenced with prayer by Aparna Anilkumar from the english department, which was followed by welcoming chief guests to the program. Father Dr. Paul Povathingal, Swami Aathmadas Yami, Dharmapaksha, Sri. Aliyar Ghassimi, Sri. TN Unnikrishnan, Dr. Mahadevan Pilla were the chief guests.

Students from BSS B.Ed training college showcased their talents through a captivating dance performance related to this program. This event coincided with a notable achievement by the Alathur Police Station, which was ranked as the fifth best police station in the country. To commemorate this accomplishment, our students visited the police station and graciously repeated their dance performance at the Alathur Police station and presented a lamp as a token of appreciation.

Date: 11-12-2024

SOCIALLY USEFUL PRODUCTIVE **WORK (SUPW)**

As part of the Socially Useful Productive Work (SUPW) initiative, a hands-on workshop was conducted at BSS B.Ed Training College, Alathur, on 11th December 2024 under the coordination of Asst. Professors Jini M. George and Salabha B. The session focused on crafting traditional elephant caparisons (Nettipattam) using golden fabric, metallic embellishments, and beads.

Participants enthusiastically engaged in designing and decorating these cultural artifacts, showcasing their creativity and teamwork. Under the guidance of an experienced instructor, participants engaged in the intricate process of crafting these traditional decorative pieces. The event aimed to inculcate practical skills and community-oriented values among the students.

The interaction fostered a collaborative learning environment, enabling the students to grasp the significance of SUPW in their curriculum. The event emphasized the integration of practical learning into teacher training, equipping future educators with essential skills to contribute meaningfully to society. The teacher trainees expressed their appreciation for the hands-on learning experience. They valued the opportunity to work collaboratively while enhancing their artistic abilities. The session concluded with positive feedback from the participants, who appreciated the interactive and skill-based approach of the program.

CHART WORKSHOP

UNLEASH YOUR CREATIVITY!

DEC 13TH 2024

@ 9:30 Am

Date: 13-12-2024

CHART WORKSHOP

On December 13, 2024, a vibrant workshop was conducted at BSS B.Ed. Training College from 9:30 AM to 3:00 PM, offering students a platform to engage in hands-on learning through chart-making activities. The session began at 9:30 AM, and after an initial briefing, students commenced their creative work at 9:40 AM. Each participant selected a unique topic from their optional subjects. Students followed a systematic workflow. Upon completing their first chart, they submitted it to their optional teachers for review.

Teachers meticulously evaluated each chart, provided constructive feedback, and, upon approval, signed it to acknowledge its completion. Motivated by the teachers' feedback, students

immediately started working on their next chart. This process created a continuous cycle of learning, feedback, and improvement, keeping the participants actively engaged. The first session progressed until 10:50 AM, followed by a short interval from 10:50 AM to 11:00 AM. After the break, students returned with enthusiasm and continued working until 1:00 PM. Following a refreshing lunch break from 1:00 PM to 1:40 PM,

students resumed their work on the charts. This collaborative effort fostered a sense of teamwork and peer learning, as students gained insights from each other's work.

The workshop concluded at 3:00 PM after a day filled with creativity, collaboration, and interactive learning. The systematic approach of chart submission and teacher feedback ensured quality output while promoting active participation and a positive learning experience. It was a productive day that combined creativity with academic rigor, leaving a lasting impression on all participants.

WORLD FRIENDSHIP DAY

"Friendship is the golden thread that ties the hearts of the world together in a bond of joy."

DECEMBER 18TH
2024

We Dept of Physical Science cordially invite your esteemed presence

📍 Wisdom Hall

@9:30AM

Date: 18-12-2024

FRIENDSHIP DAY

On December 18th, BSS B.Ed Training College in Alathur celebrated Friendship Day in sync with the spirit of Kuchela Dinam at 9:30 a.m. at Wisdom Hall. This event was organized by Physical Science Option to honour the spirit of true friendship. As we celebrate Friendship Day, we are reminded of the importance of true and selfless friendships in our lives. On Kuchela Dinam, we commemorate the bond between two friends, Lord Krishna and Kuchela, who remained close despite their vastly different circumstances.

The program began with a divine prayer. The celebration commenced with a welcome speech delivered by E.Rekha from Physical Science Option. The inaugural address was given by Dr. K S Balambika, Principal of BSS B.Ed Training College, Alathur who highlighted the significance of friendship and the selfless bond of friendship between Lord Krishna and Kuchela. We concluded the program by singing the National Anthem

“FRIENDSHIP IS THE GOLDEN THREAD THAT TIES THE HEART OF ALL WORLD”

CHRISTMAS CELEBRATION

Christmas, a time of unparalleled joy and happiness, brings people together in a spirit of love and giving. To celebrate this festive season, the Physical Science Department of BSS B.Ed Training College, Alathur, organized a joyous Christmas program, "Feliz Navidad," at Wisdom Hall on 19th December 2024. The program commenced at 11:30 am with an invocation by Guruvadham, followed by a warm welcome speech by Dr. Balambika mam.

E. Rekha and Shaima K.U. from the Physical Science Department skillfully anchored the program. The festivities began with a beautiful quire performance by 1st-year students, accompanied by a stunning live crib presented by the Physical Science Department.

The arrival of Christmas papas, Rahul and Usman, added to the excitement, and their blessings boosted the energy of the program. Following the cake-cutting ceremony, a series of entertaining programs ensued.

The 1st-year students showcased their talents through impressive dance performances by the Social Science, Maths, and English departments, as well as a melodious group song by the Commerce department.

The 2nd-year students presented a captivating quire performance, followed by a soulful song by Anjali and a mesmerizing whistling performance by Prince. Assistant Professor of Mathematics, Janitha mam, also delivered a beautiful song that filled everyone's mind with peace.

The beautifully arranged crib and Christmas tree added to the festive ambiance. The candle-lighting ceremony was a poignant highlight of the program. The

candle-lighting ceremony symbolized the spirit of hope, love, and joy that defines the Christmas season.

The program was a spectacular display of talent, creativity, and festive cheer, showcasing the college's commitment to fostering a sense of community and camaraderie among its students, faculty, and staff.
