REPORT ON OBSERVING WORLD CANCER DAY.

World Cancer Day is an international day marked on 4th February to raise awareness of cancer and to encourage its prevention, and treatment. World Cancer Day is led by the Union for International Cancer Control (UICC) to support the goals of the World Cancer Declaration, written in 2008. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer. The day is observed by the United Nations.

THIS YEARS THEME FOR WORLD CANCER DAY WAS CLOSE THE CARE GAP.

BSS B.Ed training college, Alathur observed and hosted a programme on world cancer day on 6 th February 2024 which began with the significance and importance of this day. This was followed by a talk on cancer. The entire session was very informative and it made the pupil aware of cancer, it's diagnosis and treatment. This was a valuable opportunity to know more about the day and has made an awareness among the pupil.

Report on celebrating Darwin's Day

Darwin's Day, celebrated on February 12th each year, commemorates the birthday of Charles Darwin, the renowned naturalist who proposed the theory of evolution by natural selection. Its importance lies in recognizing Darwin's groundbreaking contributions to science and the profound impact his theory has had on our understanding of life on Earth. It serves as a reminder of the ongoing relevance of evolutionary theory in various fields, including biology, medicine, and ecology. Additionally, Darwin's Day encourages scientific inquiry and critical thinking, promoting a deeper understanding of the natural world.

THIS YEAR'S THEME FOR DARWIN'S DAY WAS RELIGION, SCIENCE, AND THE COMMON GOOD

BSS B.Ed Training College, Alathur, commemorating this prodigious moment hosted a program celebrating Darwin's Day on 12th February 2024, which began with an introduction to the significance of Darwin's Day and its relevance in today's scientific community. This was followed by a series of speeches, aimed at exploring Darwin's contributions to evolutionary theory and their implications for various fields of study. The entire event was informative and intriguing, hosting a program on Darwin's Day provided a valuable opportunity to celebrate scientific inquiry, critical thinking, and the legacy of one of history's most influential scientists.

A radio can evoke a nostalgic charm, harkening back to a bygone era of analog technology and vintage design. Its retro appeal lies in its sleek curves, tactile dials, and warm, glowing displays. The sound of static or the ritual of tuning in frequencies can add to its allure, creating a sense of connection to the past and a slower-paced world.

Proclaimed in 2011 by the Member States of UNESCO and adopted by the United Nations General Assembly in 2012 as a UN International Day, February 13 became World Radio Day (WRD).

***BSS B.Ed Training College Alathur
celebrated World Radio Day on 13th
of February 2024 to remind the
students about the existence and
importance of Radio.***

***The programme began with
Guruvnadanam which invoked the
Almighty.***

***The program began with a welcome
speech by Nikhila G, which set the
spirit for the day. Then our beloved
principal ma'am, Dr. K S Balambika,
inaugurated the session with her
powerful yet attractive words which
gave an insight into the importance
of the day.***

Following the inaugural speech, we moved on to the main session. To deliver the importance and history of world radio day, Aparna Anilkumar and Veena P conducted a program, where the two of them led a session in which they each played radio hosts. In the form of a radio program, they delivered the importance and history of radio. They also played a song from the recently released film, which gave a completeness to the program. The session ended with a vote of thanks delivered by Sheefa M.

Report on Sarojini Naidu's Birth Anniversary

Sarojini Naidu, fondly known as the Nightingale of India, was celebrated on her birth anniversary on February 13, 2024. She was a prominent Indian independence activist and a key figure in the Indian Nationalist Movement. She was also the first woman to become the President of the Indian National Congress and the first woman to hold the position of Governor in independent India.

BSS B.Ed Training College, Alathur organized a programme, commemorating Sarojini Naidu and her contributions, on February 13, 2024. The programme began with a welcome speech, and it was followed by a thoughtful speech reflecting on the life of Sarojini Naidu, as a poet and a political figure. The day was celebrated, coinciding with World Radio Day, by hosting a program where two students from our class showcased themselves as radio jockeys.

The students captivated the audience with their engaging personalities and seamless transitions, adding a dynamic flair to the commemoration of Sarojini Naidu's legacy alongside the global celebration of World Radio Day. The program was concluded with a heartfelt vote of thanks, expressing gratitude to all participants and attendees for their contribution and presence.

*Happy
Valentine's
Day*

The Valentine's Day Celebration "Hello Love" at BSS B. Ed Training College, Alathur was often more about promoting friendship and camaraderie rather than romantic love which radically created an enthusiasm within students regarding the borderless love and affection towards one another. Valentine's Day is celebrated on February 14th each year and is a day dedicated to expressing love and affection, and the day has roots in Christian and Roman traditions, it has evolved into a secular celebration of love that is observed worldwide.

Hello Love had a beautiful start, where each one was welcomed with a beautiful red heart written as HELLO LOVE and the programme was officially started by the choir enchanting the blessings of almighty. The venue was addressed by Malavika, where she used this as an opportunity to invite our honorable principal DR. K. S. Balambika ma'am, the one who stood with us which enacted the motherly love for her inaugural address. Through her words she delivered that the focus was on fostering a culture of kindness, compassion, and inclusivity within the community. The principal also emphasized that while Valentine's Day is traditionally

associated with romantic love, it's also an opportunity to celebrate friendship, respect, and appreciation for one another. The speech highlighted the importance of treating others with empathy and understanding, regardless of romantic relationships. The principal encouraged students to embrace the spirit of Valentine's Day by engaging in acts of kindness, spreading positivity, and building strong relationships with their peers. Additionally, the speech emphasized the students commitment to creating a welcoming and supportive environment where everyone feels valued and accepted.

Further the celebrations has kicked off by a valentines day speech by Ayoob. M where he mentioned the story of valentines day, and this enumerated multiple concepts regarding the day. On this day a special performace was done by Anjali. A where she mesmerized the audience with her singing talents. This generated a good atmoshphere among the students and teachers. Last but least the thanksgiving was done by Kavya. K where she has expressed her immense gratitude for making this event a great success

Report on World Day Of Social Justice

“Injustice anywhere is a threat to justice everywhere.”

The World Day of Social Justice, observed on February 20th, is a day designated by the United Nations to promote efforts towards tackling social injustices globally. It aims to raise awareness about issues such as poverty, inequality, discrimination, and promote initiatives that strive for social equality and justice for all people.

BSS B.Ed Training College, Alathur organized a programme emphasising the importance and the relevance of celebrating the World Day of Social Justice on February 20,2024. The programme began with a welcome speech, and it was followed by a thoughtful speech reflecting on the day's importance and highlighting the significance in promoting equality, fairness, and justice for all individuals, regardless of their background, gender, race, or socioeconomic status. By highlighting social injustices and advocating for change, this day reminded to foster a more inclusive and equitable society, ultimately contributing to sustainable development, peace, and harmony worldwide. The programme was concluded with a vote of thanks.

REPORT ON WORLD

THINKING DAY

"The world is what we think it is. If we can change our thought, we can change the world"

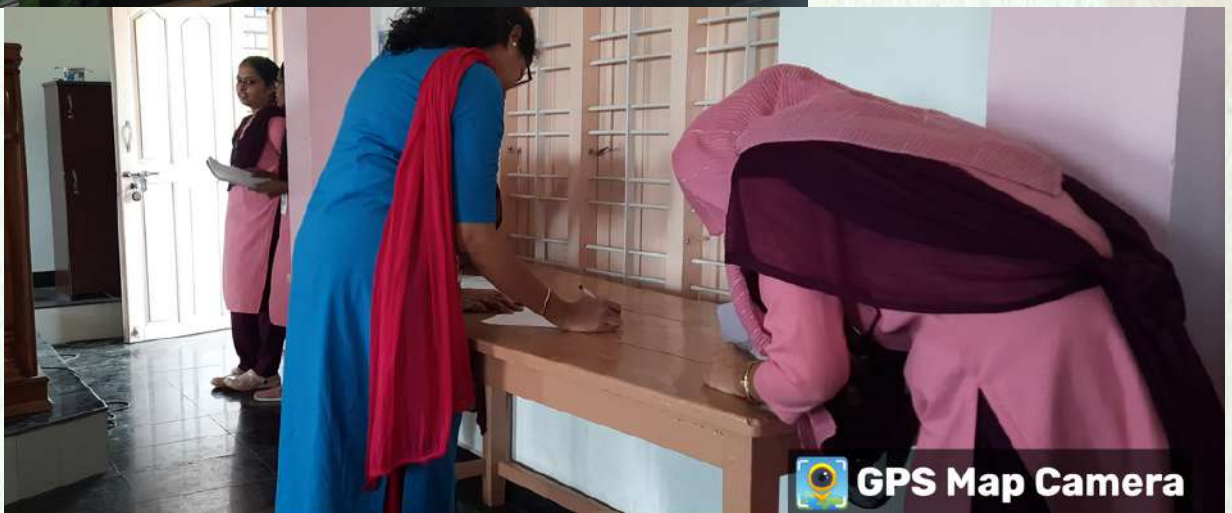

Girl guides and Girl scouts have been marking this special day since 1926. This day is celebration of ten million girls worldwide that has take place on every 22 february since 1926. It remains a day for all girls guides and scouts to think of each others and celebrzte their sisters all around the world.

This year World Thinking Day 2024 celebrated under the theme:
"Our World, Our thriving future environment and global poverty"

Following this theme BSS B.Ed Training College has organized a small activity on 22nd February 2024, this program was beautifully started with welcome speech, after that there was a comprehensive speech about the thinking day by our student . She explain the concept of thinking and the primary objectives of thinking day. She shared an awareness about the future thinking of girls.

To enhance the thinking skill we did an activity 'Riddles'. We engaged ten students for this competition and gave 5 mins time to complete ten question, through this activity our students can able to increase thinking power and interest to answer. This program was ended with vote of thanks.

Report on International Mother Language Day

BSS B Ed Training College, Alathur celebrated International Mother Language Day on 21st February and the main objective of this day is to promote linguistic and cultural diversity and to highlight the importance of preserving and promoting mother languages worldwide. It also aims to foster tolerance and respect for linguistic rights.

The event commenced with an opening ceremony along with guruvandhanam where our respected principal, teachers and students were present. A brief introduction to the significance of International Mother Language Day was provided by Aparna Anilkumar in the name of welcome speech. Following this, inaugural address was delivered by our beloved principal Dr. K.S

Balambika ma'am who enriched the day with her impeccable thoughts on mother language.

A keynote speech was delivered by Akhila A to deep dive into the history and relevance of mother language in the contemporary world. The speaker emphasized the importance of preserving mother languages and the role they play in shaping cultural identity and heritage.

Students were given the opportunity to learn basic phrases in various languages, explore language-related resources, and engage in cultural exchange activities such as extempore.

The International Mother Language Day programme was a resounding success, bringing together individuals from diverse backgrounds to celebrate the beauty and importance of mother languages. The program concluded with a vote of thanks

which was quite interesting to everyone that Sheefa delivered it in her mother tongue 'Tamil'.

National Anthem

BSS B Ed training college celebrated National Science day on 28 February 2024. This day is celebrated to commemorate the discovery of Raman effect by Dr. C V Raman, which was an important breakthrough in the field of science.

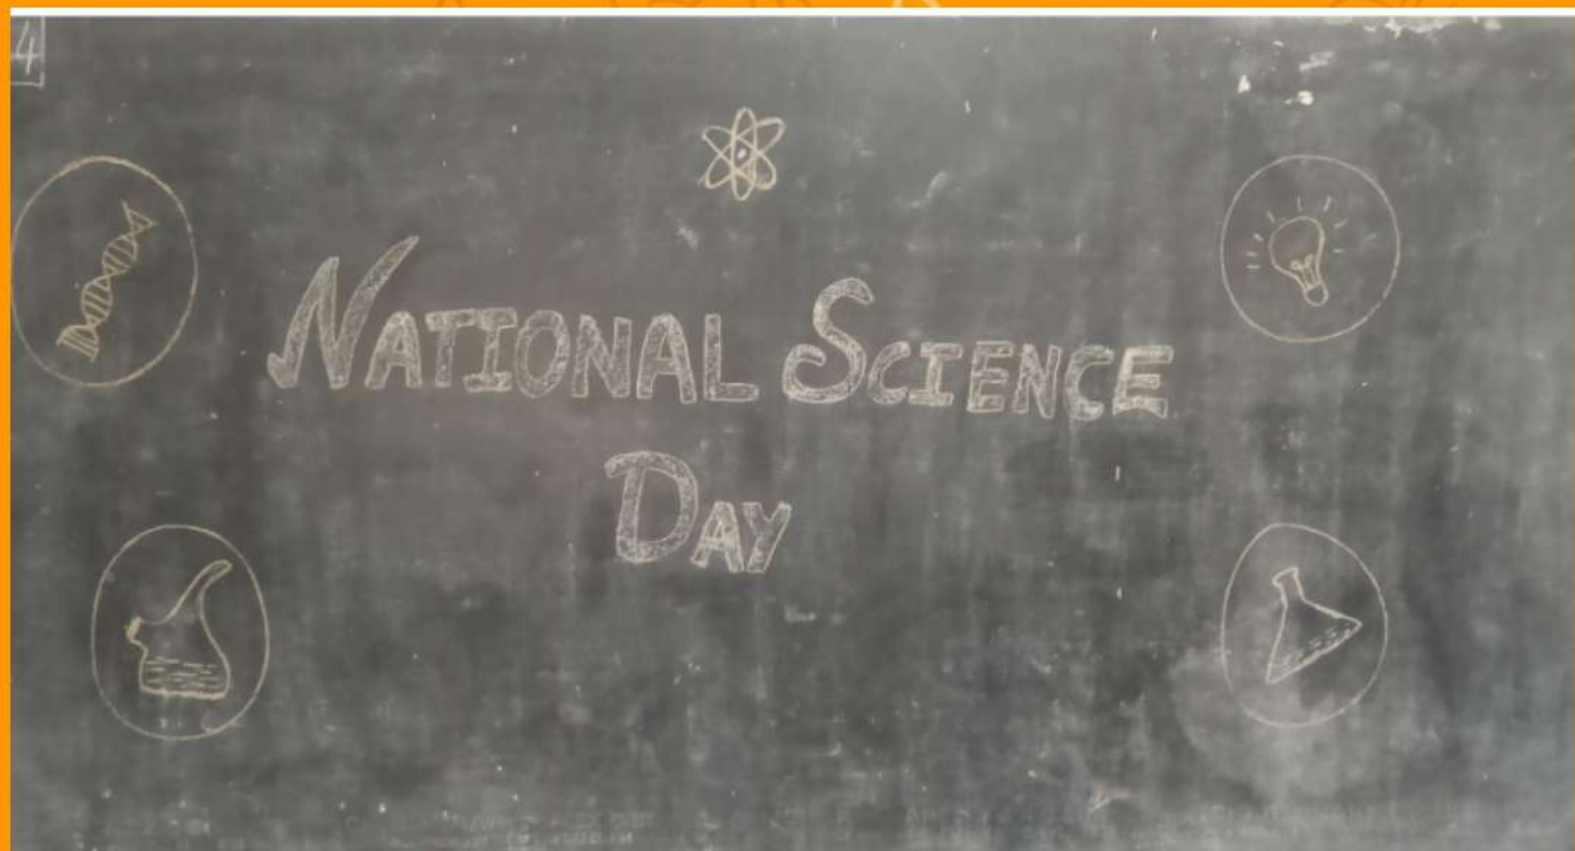

The official program commenced with prayer followed by talks from the Principal, Dr. K S Balambika.

The importance of science in present times were discussed. The students representative Smrithi Vinayan provided insights about the day. The goal of the day was to improve and to encourage scientific curiosity among students.

Students along with teachers discussed various ways to improve scientific curiosity among students. The official program came to an end with everyone singing the National Anthem.
