Our institution along with HOPE – a non-profitable student-run charity organization of our parent institution designed with far-sightedness to transform the life of hopeless people, progresses with gentle love moulding the future generation to be the Epitome of Humanity, with courage, compassion, and giving confidence to dejected people.

The onset of our venture dates back to 15 years of service to the society during Gandhi Jayanthi, providing sarees, rice, coconuts, and dhotis to needy old people in and around Alathur. The main intention of taking part in such noble deeds is that they are to be trained in such a way grounded with values of life which in turn they develop to be a powerful leader creating happy human beings for the entire universe.

We fondly remember the helping hands during the unprecedented floods of Kerala, standing by the call of ‘We shall overcome’, with the flood relief fund stepping forward to advance a collection and distribution of commodities from our collection point during those consecutive three days.

We reached the doorsteps of each house at Kannadi, Palakkad as bees to collect the nectar of love in form of money, and with a smile we were able to contribute Rs.3 lakhs in this Kannadi Karunya Viplavam donating it for an std 10 student Kumari Aneesha for her bone marrow transplantation.

When Kavassery Karunya Viplavam was initiated, our student-teachers with previous experience stood sweating for charity to save a mother Smt.Sowmya for a child collected an attractive amount for kidney transplantation where the donor’s and the receiver’s family stay happy and healthy now.

Along with Daya Charitable Trust, to raise funds we rendered our support for ‘Payasam Challenge’ in packing and distributing it to the destination that process was carried away by our trainees systematically.

We established our service in raising funds in buying lands and providing houses under the ‘Nirmal Bhavan Project’ in which we have successfully handed over the keys for 7 houses to open smiles at the threshold of Happy Homes. We initiated ‘Padheyam’ – the folding service to the roadside refugees and the future plan is to continue the service on regular basis.

Knitting all these frames together, we arrive at a signal with the go-green mind of 'Manushyan Nannavan Manassu Nannayal Mathi' – The absorption of mind is the true salvation.

Visiting the differently abled children at Devashrayam, Palakkad, helped them to understand how gifted they are and also to help those true-hearted children, who become that inevitable part of the society and the other phase of life at old age home, instills in them that the wise heads and the wrinkled faces are the treasures and not to be abandoned.

We understand we have a long way to go. But for sure our trainees will be humans with hearts and hands will always ready to help. May our fragrance of goodness spread wherever they go as a messengers of peace.

PATHEYAM- Food for journey

Hunger is the pain of both body and mind, and food is the only medicine that can heal the pain of hunger. Hunger is a battle between life and death, and the ones who feed the hungry are indeed saviours. On **29th October 2022**, the students and staffs of BSS B.Ed Training College, Alathur distributed food to the poor and needy through 'Patheyam' program in association with Yuvaswaraj Social Welfare Forum, Palakkad and the program was inaugurated by the Principal Dr. K.S. Balambika Madam. Each student and staff of the institution brought food packets for the needy. '**Patheyam**' started from Alathur to Palakkad, we reached out for those sitting on footpaths, bus stands, railway station etc. and distributed food to them. Poor and the needy in Palakkad town and near the premises of Olavakkode railway station were provided with food packets. All our eyes and hearts were filled with joyful tears when these food packets brought a slight curve on their face. It was indeed a blessed moment for all the students and staffs of the institution. Feeding the needy was a great privilege and it reminded us about the value of food. "Even a single grain that we waste could fill a hungry stomach", this was the greatest lesson we learned through '**Patheyam**'.
