Initiatory Teaching Practice

The school visit initiative was a week-long program that allowed us to explore and learn from different educational institutions. Our team visited three schools : GGHSS Alathur, GHSS Erimayur and GHSS Kumarapuram, each with its unique teaching methods, infrastructure, and cultural atmosphere. We observed classes, interacted with students and teachers, and gathered information about their academic and extracurricular activities.

Through this initiative, we gained valuable insights into the diverse educational landscape of our region. We observed innovative teaching approaches, such as project-based learning and flipped classrooms, which sparked interesting discussions among our team. We also noted the varying levels of infrastructure and resources available to each school, highlighting the need for equitable distribution of resources.

The school visit initiative was a enriching experience that broadened our perspectives on education and its delivery. We returned to our own school with new ideas, inspired by the dedication and passion of the teachers and students we met. This initiative not only enhanced our understanding of the education system but also fostered a sense of community and social responsibility among our team.

Report on National Girl Child Day & International Education Day

On 24th January 2025, B.S.S. B.Ed College, Alathur, celebrated National Girl Child Day and International Education Day in Wisdom Hall. The event aimed to highlight the importance of empowering girls and promoting education as a fundamental right for all children.

The celebration began with a serene and graceful Guruvandanam led by the Choir Team, creating a peaceful atmosphere for the day's events. Neenu Chandran, from the Mathematics Department, delivered the welcome address, extending a warm welcome to all the attendees and setting the tone for the meaningful discussions and activities ahead.

The event's inauguration was followed by a special address by Charles F, Assistant Professor of Mathematics, who spoke passionately about the significance of both National Girl Child Day and International Education Day. In his address, Charles highlighted the challenges faced by girls around the world in accessing education, while stressing the importance of empowering them through knowledge.

The highlight of the day was the theme play titled "It's Time to Unlock", performed by the students of the Mathematics Department. The play portrayed the struggles and dreams of young girls, illustrating how education can transform their lives and empower them to break free from societal constraints. The performance was a heartfelt tribute to the power of education in shaping a girl's future and society at large.

Following the play, Nasiya N., from the Mathematics Department, delivered the vote of thanks, expressing gratitude to all the participants, faculty members, and attendees for their presence and contribution to the success of the event. The event concluded on a patriotic note, with the gathering standing to sing the National Anthem, symbolizing unity and the collective strength of the nation.

Overall, the celebration of National Girl Child Day and International Education Day at B.S.S. B.Ed College was a tremendous success. The event not only spread awareness about the rights of girls and the value of education but also encouraged everyone to take action in promoting equality and empowerment through education.

Report on Republic Day

The Republic Day celebration at our institution was a grand success, marked by national pride, and a deep appreciation for India's rich cultural heritage. The event began with a prayer, "Guduvanthanam", which set a serene tone for the celebration. This was followed by a warm welcome address by Athulya L, who welcomed the guests, students, and staff.

Athulya J and Hridya then rendered a soul-stirring patriotic song, filling the atmosphere with national pride and enthusiasm. The song was a beautiful rendition of India's diversity, showcasing the country's various languages, cultures, and traditions.

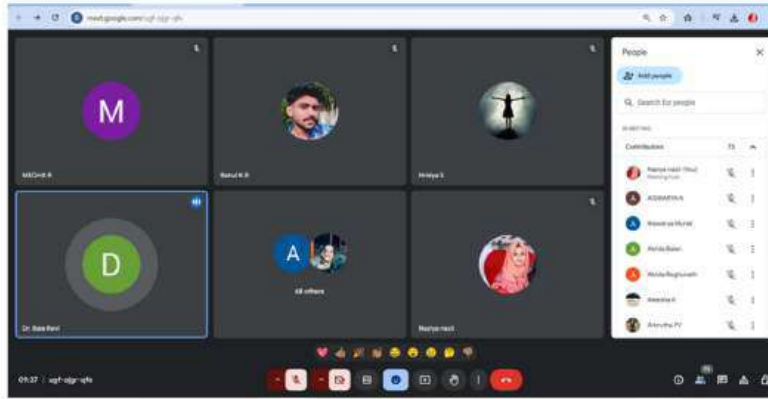

The chief guest, Dr. KS Balamabika, inaugurated the event, delivered a special address emphasizing the importance of national unity and the need to preserve India's cultural heritage. She also hoisted the national flag amidst cheers and applause.

The event began with a warm welcome to all students, faculty, and staff present, setting a tone of unity and patriotism. To highlight the importance of the day, a video on the history of Republic Day was played, providing an insightful journey through India's struggle for independence and the adoption of the Indian Constitution. The video showcased key milestones, including the framing of the Constitution and the first Republic Day celebration on 26th January 1950. This educational and engaging presentation helped everyone understand the deep-rooted significance of Republic Day.

Following this, the live telecast of the Flag Hoisting Ceremony at the Red Fort in New Delhi was streamed, allowing the audience to witness the grand national event in real-time. The vibrant ceremony, with the President of India hoisting the national flag, filled the hall with pride and a sense of patriotism.

The program concluded with a vote of thanks by Neethu AG, who expressed gratitude to the guests, participants, and organizers, and the singing of the National Anthem, which was a fitting finale to the patriotic celebration. The event fostered a sense of unity and national pride among all present, and was a befitting tribute to the nation on its Republic Day.

Report on National Puzzle Day

The much-anticipated Puzzle Day Celebration was held at Wisdom Hall, B.S.S B.Ed College, Alathur, on the 29th of January, 2025, starting at 9:30 AM. The event kicked off with a beautiful Guruvandanam led by the Prayer Team, setting a calm and respectful atmosphere for the day's activities. Hridya, from the Mathematics Department, delivered the welcome address. She warmly welcomed all the participants and guests to the celebration, setting the tone for an exciting and engaging event.

The event then moved to the special inaugural address delivered by Dr. K. S. Balambika. In her address, Dr. Balambika emphasized the importance of problem-solving skills and how puzzle games can enhance cognitive abilities, promote teamwork, and encourage critical thinking. Her words inspired everyone to actively participate and enjoy the event.

Following the inaugural address, the highlight of the day, the Puzzle Game activity, began. Participants from various departments engaged in a series of exciting and challenging puzzles. The competition was fierce, but ultimately, the winner was the Commerce Department and the first Runner-Up was the Physical Science Department.

The event concluded with a vote of thanks delivered by Nandhana, also from the Mathematics Department. She expressed her gratitude to everyone who contributed to making the day a success, especially the participants, faculty, and volunteers. Nandana's heartfelt thanks resonated with the audience and added a sense of closure to the day's celebrations.

The event was wrapped up on a patriotic note, as all attendees stood to sing the National Anthem, marking the end of a wonderful and enriching day. Overall, Puzzle Day 2025 was a great success, fostering a spirit of healthy competition and intellectual engagement among the students. The event not only provided a platform for students to showcase their problem-solving skills but also promoted teamwork and camaraderie across different departments.
