The student-run non-profit organization "HOPE" (Humans Offering Paradise On Earth), based at BSS B.Ed. The initiative was aimed at providing financial assistance for the construction and renovation of homes for three underprivileged individuals in the local community.

Project Objectives

The Nirmal Bhavan Project was launched with the core mission of improving living conditions for those in need within our immediate geographic area. The specific beneficiaries identified for this phase included:

Haritha, a resident of Ilamandam.

Sathyabhama, a resident of Kunissery.

Shakunthala, a resident of Kunissery.

The Fundraising Drive: "Charity with Rewards"

The fundraising was conducted through a specialized coupon distribution system. To enhance participation and engagement, the drive featured a "Charity Win Many Prizes" incentive, allowing donors a chance to win rewards while contributing to the housing fund.

Distribution Statistics:

Student Participation: 104 Students

Faculty Participation: 12 Teachers

Through the collective commitment of the students and faculty of BSS B.Ed. Training College, the drive exceeded initial expectations. The transparent and organized efforts of the HOPE volunteers ensured a highly successful outcome.

Total Amount Raised: ₹3,00,000/- (Rupees Three Lakhs)

The total sum of ₹3,00,000 will be allocated toward the "Nirmal Bhavan Project" to facilitate the building and completion of safe, dignified housing for Mrs. Haritha, Mrs. Sathyabhama, and Mrs. Shakunthala. This project ensures that these families are provided with the security and comfort of a permanent home. The collected amount will be officially handed over to the HOPE to facilitate the building process.

The success of this initiative underscores the institutional values of BSS B.Ed. Training College, emphasizing that education goes beyond the classroom. The "HOPE" organization continues to serve as a vital platform for students to practice social responsibility and community leadership.
