Morning Assembly - Prayana

Overview of Prayana

"Prayana," meaning journey, represents the daily morning assembly at our institution. It serves as a vital cornerstone of our academic day. Conducted every working morning, this structured gathering is designed to rejuvenate students' minds and establish an optimal ambiance for holistic learning.

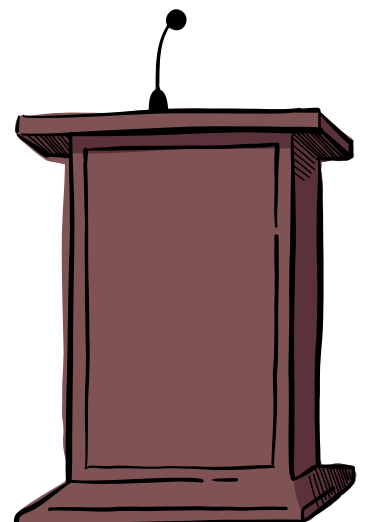

Core Rituals and Program Structure
Meditation & Prayer: The assembly commences with a collective meditation session followed by "Guruvandhanam," a traditional morning prayer that instils a sense of gratitude, serenity, and focus

Knowledge Sharing: Students present a carefully selected "Thought of the Day" to stimulate critical thinking, followed by a summary of global and local developments through daily newspaper reading.

Thematic Lectures: A student-led brief lecture highlights the historical, cultural, or scientific importance of the specific calendar day.

Faculty Reflection: Teacher trainees regularly receive dedicated time to reflect on the day's themes, sharing insights under the direct guidance and mentorship of the Principal and faculty members.

Guest Enrichment: On special occasions, renowned personalities, subject matter experts, and leading educationists join the assembly to share their professional expertise, life experiences, and advanced educational knowledge.
